

**REMARKS**

In the decision mailed on January 17, 2008, the Board reversed all rejections pending against claims 1, 56, and 57; and sustained the rejection pending against claims 2-36. While applicants do not concur in the sustained rejection of claims 2-36, applicants herein cancel claims 2-36; cancel withdrawn claims 37-41 and 54-55; and present new claims 58-63. As discussed in the January 31 voicemail exchange with Examiner Cuff, new claims 58-63 are claims that are in different form than, but closely mirror the recited features of, claims 1, 56, and 57.

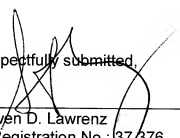

Accordingly, claims 1 and 56-63 are pending, and are all allowable. For this reason, applicants earnestly solicit a prompt notice of allowance.

If the Examiner identifies any remaining issues with allowing this application, he is encouraged to contact the undersigned to discuss and resolve them.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 249768021US from which the undersigned is authorized to draw.

Dated: February 20, 2008

Respectfully submitted,
